Lap Pool Etiquette

Circle Swim Diagram
When sharing a lane with others, keep to your right and swim in a circular pattern as shown above.

Sharing the Lane

- Two swimmers should split the lane, each one swimming on one side.
- Three swimmers or more should swim circling counterclockwise.
- Responsibility of swimmer entering the lane to notify the swimmers currently in the lane

Passing

- Pass on the left.
- Alert the person in front of you by tapping their foot before passing.

Entering

- Always enter feet first and wait until all swimmers have made the turn and pushed off.

Stopping/Resting

- Squeeze into the corner to the right of oncoming swimmers.

Speed

- Attempt to enter a lane with swimmers that match your projected speed, so all swimmers can flow and have a positive experience.
