COVID 19:

In 2020 Menlo Swim and Sport worked to create a safe and fun summer camp experience that turned out to be an overwhelming success. 2021 has brought along several changes in guidelines that inch us closer and closer to normalcy. We have made some adjustments based on the new loosened restrictions and will continue to align camps with the evolving guidelines throughout the summer.

We still ask that your child stay home if they have experienced any of the following symptoms with 72 hours:

- Cough
- Shortness of breath or difficulty breathing
- Fever
- Chills
- Muscle pain
- Sore throat
- New loss of taste or smell
- In the last 14 days, to the best of your knowledge, have you had *CLOSE contact with someone who tested positive for COVID-19?
- In the last 14 days, to the best of your knowledge, have you had *CLOSE contact with someone who has been tested for COVID-19, the test results are not yet available, and the person had the symptoms of COVID-19 (described above) at the time of the contact? *CLOSE = within 6 feet for a period of time longer than 15 minutes
