

ADA Chair Installation New Dates!!!

Burgess is happy to announce the installation of new ADA Lift Chairs at the pool!

Here are the rescheduled dates of the project:
Monday, January 9 and Tuesday, January 10.

Why do we need to close?

A construction crew will dismantle the current chairs, break out the concrete, install new chair sleeves in the ground, pour new concrete and assemble the new battery operated premium quality ADA chairs. There will be a lot of dust, noise and danger throughout the 2 day project, so it is best to keep patrons and staff out of harm's way.

Will we be open at all during the construction time?

Yes.

We will be open from 3:30pm-8:00pm on Monday (Jan 9) and Tuesday (Jan 10).

When can I come for Lap Swimming?

Burgess Lap Swim Hours Monday (Jan 9) and Tuesday (Jan 10)
