

ADA Chair Installation

Dear Menlo Park Community,

Burgess is happy to announce the installation of new ADA Lift Chairs at the pool!

Due to the scope of the project the facility will be closed for portions of the following days: **Monday, December 12 and Tuesday, December 13.**

Why do we need to close?

A construction crew will dismantle the current chairs, break out the concrete, install new chair sleeves in the ground, pour new concrete and assemble the new battery operated premium quality ADA chairs. There will be a lot of dust, noise and danger throughout the 2 day project, so it is best to keep patrons and staff out of harm's way.

Will we be open at all during the construction time?

Yes.

We will be open from 3:30pm-8:00pm on Monday (Dec 12) and Tuesday (Dec 13).

When can I come for Lap Swimming?
