

Camp Menlo – Meet The Head Crew!

While we're preparing for Camps, we think it's important for you all to know who most communications will come from this Summer!

Head of Camps

Alessandra A. (Ale)

Hi Camp community! I'm Ale and I have been part of Team Sheeper since 2019. Some of you have met me already as I regularly work at the front desk at Menlo Swim and Sport. I started my first summer as a camp counselor while simultaneously working customer service. Last summer, I had the opportunity to be the Burgess Camp Lead, managing day-to-day activities.

My favorite part of camps has always been seeing kids come out of their shells and form friendships. I love encouraging campers and counselors to form meaningful connections with their peers and their community. I hope to do more of that this summer while helping them develop confidence, good sportsmanship and friendships in a positive and fun environment!

Head of Swim School

Brianna C. (Bri)

In case I haven't had the pleasure of meeting or teaching you yet, I'm Bri and I have been part of Team Sheeper since August 2022. Some of you might have met me already as I am regularly on-site coordinating swim lessons at Menlo Swim and Sport.

I have been a swim instructor since 2016, teaching skills from novice to advanced for swimmers as young as 4 months old up to adults. I have also been an aquatics manager since 2021 and more recently, the Head of Swim School since October 2022.

Since I've started managing Swim School, I have developed and implemented new class levels and restructured the lesson's curriculum, and I'm so excited to introduce these classes to Camps this Summer!

Our Goal

Our goal is to provide enriching experiences for our campers to develop friendships, self-confidence, and water safety! On dry-land, campers will gain social skills through fun group work activities, whereas camp swim lessons will encourage water confidence and enhance swimming skills quickly through the camp's daily swim schedule.
