

Camp Menlo - Meet The Head Crew!

We're busy preparing to welcome our campers this summer and wanted to introduce our Head Crew & our new summer camp this year, Mavericks Swim Camp!

Manager of Youth Programming

Brianna C. (Bri)

As Manager of Youth Programming, I'm eager to bring the community together and create an exciting summer experience for everyone!

With a passion for youth swimming and managing swim lessons, I plan to continue to provide quality swim lessons, helping kids become more confident swimmers. When it comes to camps, I am excited to work with Ale and Coach Jacob to ensure they have a fantastic season and make sure every camper has a great summer!

Last summer, I was able to see so many campers overcome their fear of the water by swimming with our instructors and enjoying open swim with their new friends. I look forward to seeing more of our swimmers instill a love for the water and develop their skill set!

Head of Camps

Alessandra A. (Ale)

Hi Camp community! I'm Ale and I have been part of Team Sheeper since 2019. Some of you have met me already as I worked at the front desk at Menlo Swim and Sport. As Assistant Manager of Youth Programming and continued Head of Camps, I manage the day-to-day activities of camps between all sites.

My favorite part of camps has always been seeing kids come out of their shell and form friendships. I love encouraging campers and counselors to form meaningful connections with their peers and their community. I hope to do more of that this summer while helping our campers develop confidence, good sportsmanship and friendships in a positive and fun environment. Once again, I am excited to make the camp experience unforgettable for campers and our camp team. My goal is to plan fun activities, foster a sense of community and ensure everyone feels safe and supported. I am excited to help create memories that will last a lifetime!

Mavericks Head Coach

Jacob

I have been teaching swim lessons since 2010 and coaching swim teams since 2017. I have been part of the Menlo Swim and Sport community since 2011, and soon after joining I knew that this was what I wanted to do for the rest of my career.

One of my favorite things about having worked in this community for so long is that I have taught many people's entire family, starting from the youngest child to the eldest grandparent. I genuinely love what I do and hope that I can share my passion with my athletes and students. My goal is to develop a safe, positive culture and love for the water that brings people together year after year.

Mavericks Camp

The Mavericks Swim Camp is our new youth camp aimed towards improving your swimmers technique and skills in a fun and welcoming team environment.

Swimmers will learn how to work together during daily swim practices and dry land activities that mimics our Mavericks Team practice style. Other activities include structured games that focus on challenging your swimmers to work together as a team, helping build confidence and social skills while also improving their physical strength, flexibility and balance.

The goal of this camp is to provide a safe and welcoming environment that has friendly competition and team building, while inspiring self confidence and a lifelong love for the water.

Is This Camp for You?

For ages 7-10 & 10-14 (alternating weeks)

Prerequisite: 25 yards of Freestyle, 1 minute of treading

Swim School Level 3 and Level 4

Bridge Swim Program (Beginners and Intermediate)

Any swimmer active on a USA Swimming Swim Team

*This camp is offered at Burgess and Rinconada Pool.

Our Summer Camp Goal

Our goal is to provide enriching experiences for our campers to develop friendships, self-confidence, and water safety! On land, campers will gain social skills through fun group activities and our camp swim lessons will encourage water confidence and enhance swimming skills quickly through the camp's daily swim schedule.
